NATIONAL TRANSPORT BREAKDOWN SERVICE

24hr Breakdown Support

The Don-Bur 24hr breakdown support service offers peace of mind to transport operators working to tight deadlines. The UK-wide network is supported by a call management centre which is open 24 hours a day, 365 days a year to ensure you get immediate attention and support.

Whether it's a standard curtainsider or a hydraulic Lifting Deck with a two-tier tail-lift, we have trained service agents throughout the country to get your equipment working again as quickly, and with as little fuss as possible.

Established in 1981, the Don-Bur Group has become internationally recognised for its innovative development of trailers and rigid vehicle bodies, designed to minimise operational costs and increase efficiency.

Don-Bur has committed to research and develop solutions with primary focus on aerodynamics and optimum utilisation of available cubic capacity.

Based in Stoke-on-Trent in the West Midlands, Don-Bur has a 500 strong flexi workforce and generates a group annual turnover of £50 million. Vertically integrated divisions include an 18 acre primary manufacturing site, curtains and load restraint division, graphics house and two after-sales service sites (repair, servicing, refurbishment and ATF Station).

The comprehensive structure provides a complete and fully accountable solution for clientele, catering for all commercial vehicle needs throughout their lifespan.
